To Whom It May Concern:

As President of the World Association of Chefs Societies I'd like to personally invite you to our 34th Congress in Santiago, Chile.

The dates will be January 24th through January 28th, 2010. Our Congress will include professional educational seminars, cooking demonstrations, competitions and development sessions to help you become a better culinary educator, chef or trainer. Plus it will provide story opportunities with special sessions devoted to industry issues like international trade and food safety. We'll also provide agricultural farm tours to round out this special international event.

So, on behalf of the WACS board, we hope you can arrange to attend and we look forward to seeing you in Santiago, Chile.

Sincerely,

Gissur Gudmundsson
WACS President
